

STATE OF MISSOURI
DEPARTMENT OF NATURAL RESOURCES

Bob Holden, Governor • Stephen M. Mahfood, Director

www.dnr.state.mo.us

OCT - 1 2003

Mr. James B. Gulliford
Regional Administrator
U.S. EPA, Region VII
901 North Fifth Street
Kansas City, KS 66101

Dear Mr. Gulliford:

The Missouri Air Conservation Commission has recently revised or promulgated the following air quality plan(s) contained in the Missouri State Implementation Plan (SIP). The following is enclosed for your review:

Inspection and Maintenance program for the St. Louis Maintenance area.

The plan language was revised to reflect actual program operational conditions. The original plan, approved in 1999, was written prior to implementation of the current vehicle emissions testing program in April 2000. As such, the 1999 plan was based upon future expectations. Now that the vehicle emissions testing program has been operational for over three years, it is necessary to reflect how the program is operating. Additionally, the state rule authorizing the vehicle emissions testing program, 10 CSR 10-5.380, was amended to revise areas such as waivers, on-board diagnostic testing and government fleets.

The commission adopted the enclosed plan action(s) on August 28, 2003 after considering comments received at public hearing. The commission has full legal authority to develop the Missouri State Implementation Plan pursuant to Section 643.310.1 of the Missouri Air Conservation Law. The state followed all applicable administrative procedures in proposing and adopting the plan action(s). Enclosed are the required SIP submittal elements for determination of plan completeness per 40 CFR Part 51, Appendix V.

Integrity and excellence in everything we do

Mr. James B. Gulliford
Page Two

The Missouri Department of Natural Resources requests that the Environmental Protection Agency amend the SIP to replace the current plan(s) in the SIP.

Thank you for your attention to this matter. If you have any questions regarding this submittal, please contact James L. Kavanaugh, Missouri Department of Natural Resources' Air Pollution Control Program at P.O. Box 176, Jefferson City, MO 65102 or by phone at (573) 751-4817.

Sincerely,

AIR POLLUTION CONTROL PROGRAM

Leanne J. Tippet
Director

MISSOURI AIR CONSERVATION COMMISSION WILL HOLD PUBLIC HEARING

JEFFERSON CITY, MO--The Missouri Air Conservation Commission will hold a public hearing on a St. Louis Inspection/Maintenance Plan revision; Submission of Emission Data, Emission Fees and Process Information; and other issues on Thursday, July 24, 2003. The Public Hearing will begin at 9 a.m. at the Drury Inn & Suites, Ballroom, 11980 Olive Blvd., Creve Coeur, Missouri. The commission will hear testimony related to the following actions.

* Missouri State Implementation Plan - St. Louis City Local Code Update

This proposed revision to the Missouri State Implementation Plan (SIP) will update the old St. Louis City ordinance 64749 open burning requirements reference with the new St. Louis City ordinance 65645. The requirement remain unchanged.

* Missouri State Implementation Plan - Inspection/Maintenance Plan Revision

This revision to the Missouri State Implementation Plan (SIP), Inspection and Maintenance (I/M) Plan, provides updates to reflect the current operational status of the enhanced and basic I/M programs in the St. Louis nonattainment area. The previous revision was drafted in 1999 during the development stage of the current enhanced and basic I/M programs and needed to be updated to reflect the changes that have occurred to the program since it began in April 2000.

* 10 CSR 10-6.110 (amendment) Submission of Emission Data, Emission Fees and Process Information

This proposed amendment will establish emission fees for Missouri facilities as required annually be 643.070 and 643.079, RSMo. The air emission fee is proposed to be \$30.00 per ton of

regulated air pollutant. This is \$1.00 lower than last year's rate to reflect credit resulting from fees collected for 2002 for the Missouri Emissions Inventory System project.

The above documents will be available for review at the following locations: Missouri Department of Natural Resources, Air Pollution Control Program, 205 Jefferson St., Jefferson City, (573)751-4817; Jefferson City Regional Office, 210 Hoover Road, Jefferson City, (573)751-2729; Kansas City Regional Office, 500 NE Colbern Road, Lee's Summit, (816)622-7000; Northeast Regional Office, 1709 Prospect Drive, Macon, (660)385-2129; Southeast Regional Office, 2155 N. Westwood Boulevard, Poplar Bluff, (573)840-9750; St. Louis Regional Office, 7545 S. Lindberg, Suite 210, St. Louis, (314)416-2960; Southwest Regional Office, 2040 W. Woodland, Springfield, (417)891-4300.

Persons with disabilities requiring special services or accommodations to attend the meeting can make arrangements by calling the division directly at (573)751-7840, the department's toll free number at (800)334-6946, or by writing two weeks in advance of the meeting to: Missouri Department of Natural Resources, Air Conservation Commission Secretary, P.O. Box 176, Jefferson City, MO 65102. Hearing impaired persons may contact the program through Relay Missouri, (800)735-2966.

The commission holds public hearings under the provisions of chapter 643, RSMo. Citizens wishing to speak at the public hearing should notify the secretary to the Missouri Air Conservation Commission, Missouri Department of Natural Resources, Air Pollution Control Program, P.O. Box 176, Jefferson City, Missouri 65102-0176, or telephone (573)751-7840. The department requests persons intending to give verbal presentations also provide a written copy of their testimony to the commission secretary at the time of the public hearing. The department also will accept written comments for the record until 5 p.m. on July 31, 2003; please send two copies of written comments to Chief, Planning Section, Air Pollution Control Program, P.O. Box 176, Jefferson City, MO 65102-0176. Rule proposals considered at this hearing may be adopted by the Missouri Air Conservation Commission as provided for under authority of 643.050, RSMo. For more information or a complete meeting agenda, including rules being presented for adoption, contact the Missouri Department of Natural Resources' Air Pollution Control Program at (573)751-4817.

JEFFERSON CITY, MO --
The Missouri Air Conservation
Commission will hold a
public hearing on a St.
Louis Inspection/Mainte-
nance Plan revision; Sub-
mission of Emission Data,
Emission Fees and Pro-
cess Information; and other
issues on Thursday, July
24, 2003. The Public Hear-
ing will begin at 9 a.m. at
the Drury Inn & Suites,
Ballroom, 11980 Olive
Blvd., Creve Coeur, Mis-
souri. The commission will
hear testimony related to
the following rule actions.

***Missouri State Implemen-
tation Plan - St. Louis City
Local Code Update**

This proposed revision to
the Missouri State Imple-
mentation Plan (SIP) will
update the old St. Louis
City ordinance 64749 open
burning requirements refer-
ence with the new St. Louis
City ordinance 65645. The
requirements remain un-
changed.

***Missouri State Implemen-
tation Plan - Inspec-
tion/Maintenance Plan Re-
vision.**

This revision to the Missou-
ri State Implementation
Plan (SIP), Inspection and
Maintenance (I/M) Plan,
provides updates to reflect
the current operational sta-
tus of the enhanced and
basic I/M programs in the
St. Louis nonattainment ar-
ea. The previous revision
was drafted in 1999 during
the development stage of
the current enhanced and
basic I/M programs and
needed to be updated to
reflect the changes that
have occurred to the pro-
gram since it began in April
2000.

***10 CSR 10-6.110 (amend-
ment) Submission of Emis-
sion Data, Emission Fees
and Process Information**

This proposed amendment
will establish emission fees
for Missouri facilities as re-
quired annually by 643.070
and 643.079, RSMo. The
air emission fee is pro-
posed to be \$30.00 per ton
of regulated air pollutant.
This is \$1.00 lower than
last year's rate to reflect
credit resulting from fees
collected for 2002 for the
Missouri Emissions Inven-
tory System project.

The above documents will
be available for review at
the following locations: Mis-
souri Department of Natural
Resources, Air Pollution
Control Program, 205 Jef-
ferson St., Jefferson City,
(573) 751-4817; Kansas
City Regional Office, 500

PROOF OF PUBLICATION

STATE OF MISSOURI
County of Greene

I, Marsha Burnett of Springfield, Missouri, of lawful age, do upon
my oath state that I am the Legal Clerk of the News-Leader, and that I am
duly authorized to and do make this affidavit for and on behalf of the News-
Leader, a newspaper published daily in the City of Springfield, Greene
County, Missouri; that the public advertisement, notice or order of
publication, a true copy of which is hereto attached, was published in said
newspaper 1 time(s) upon the following dates:

First publication on Sunday, June 22, 2003
Second publication on
Third publication on
Fourth publication on
Last publication on

I do further state under oath that said newspaper has been
admitted to the Post Office as second class matter; that it is a newspaper of
general circulation in the City of Springfield, Missouri; that it has been
published regularly and consecutively for a period of more than three years;
that it has a list of bona fide subscribers voluntarily engaged as such; who
have paid or agreed to pay a stated price for a subscription for a definite
period of time, and that said newspaper has complied with the provisions of
Section 14968 Revised Statutes of Missouri, 1939, relating to "Public
Advertisements."

PUBLIC NOTICE

(Published in the St. Joseph News-Press Friday, 06/20/03)
MISSOURI AIR CONSERVATION COMMISSION
WILL HOLD A PUBLIC HEARING

JEFFERSON CITY, MO.
The Missouri Air Conservation Commission will hold a public hearing a St. Louis Inspection/Maintenance Plan revision; Submission Emission Data, Emission Fees and Process Information; and of issues on Thursday, July 24, 2003. The Public Hearing will begin 2 a.m. at the Drury Inn & Suites, Ballroom, 11900 Olive Blvd., Cr. Coeur, Missouri. The commission will hear testimony related to the following rule actions.

- Missouri State Implementation Plan-St. Louis City Local Code Update

This proposed revision to the Missouri State Implementation Plan (SIP) will update the old St. Louis City ordinance 64749 open burning requirements reference with the new St. Louis City ordinance 65645. The requirements remain unchanged.

- Missouri State Implementation Plan-Inspection/Maintenance Plan Revision

This revision to the Missouri State Implementation Plan (SIP), Inspection and Maintenance (I/M) Plan, provides updates to reflect the current operational status of the enhanced and basic I/M programs in the St. Louis nonattainment area. The previous revision was drafted in 1999 during the development stage of the current enhanced and basic I/M programs and needed to be updated to reflect the changes that have occurred to the program since it began in April 2000.

- 10 CSR 10-6.110 (amendment) Submission of Emission Data, Emission Fees and Process Information

This proposed amendment will establish emission fees for Missouri facilities as required annually by 643.070 and 643.079, RSMo. The air emission fee is proposed to be \$30.00 per ton of regulated air pollutant. This is \$1.00 lower than last year's rate to reflect credit resulting from fees collected for 2002 for the Missouri Emissions Inventory System project.

The above documents will be available for review at the following locations: Missouri Department of Natural Resources, Air Pollution Control Program, 205 Jefferson St., Jefferson City (573) 751-4817; Kansas City Regional Office, 500 NE Colbern Road, Lee's Summit, (816) 622-7010; Northeast Regional Office, 1709 Prospect Drive, Macon, (660) 382-2129; Southeast Regional Office, 2155 N. Westwood Boulevard, Poplar Bluff, (573) 840-9750; St. Louis Regional Office, 7545 S. Lindberg, Suite 210, St. Louis, (314) 416-2960; Southwest Regional Office, 2040 Woodland, Springfield, (417) 891-4300.

Persons with disabilities requiring special services or accommodation to attend the meeting can make arrangements by calling the department directly at (573) 751-7840, the department's toll free number at (800) 334-6946, or by writing two weeks in advance of the meeting to: Missouri Department of Natural Resources, Air Conservation Commission, Secretary, P.O. Box 176, Jefferson City, MO 65102. Hearing impaired persons may contact the program through Relay Missouri, (800) 722-2966.

The commission holds public hearings under the provisions of chapter 643, RSMo. Citizens wishing to speak at the public hearing should notify the secretary to the Missouri Air Conservation Commission, Missouri Department of Natural Resources, Air Pollution Control Program, P.O. Box 176, Jefferson City, Missouri 65102-0176, or telephone (573) 751-7840. The department requests persons intending to give verbal presentations also provide a written copy of their testimony to the commission secretary at the time of the public hearing. The department also accepts written comments for the record until 5 p.m. on July 31, 2003. Please send two copies of written comments to Chief, Planning Section, Air Pollution Control Program, P.O. Box 176, Jefferson City, MO 65102-0176.

Rule proposals considered at this hearing may be adopted by the Missouri Air Conservation Commission as provided for under authority 643.050, RSMo. For more information or a complete meeting agenda including rules being presented for adoption, contact the Missouri Department of Natural Resources Air Pollution Control Program at (573) 751-4817.

ORIGINAL

1 COMMISSIONER KAYES: The hearing will come to
2 order. Let the record show the following commissioners are
3 present: Barry Kayes, Joanne Collins, Harriet Beard,
4 Michael Foresman, Ernie Brown, and Frank Beller.

5 The Air Conservation Commission of the State
6 of Missouri has called this public hearing pursuant to
7 Section 643.070, Revised Statutes of Missouri; EPA
8 Promulgated Rule 40 CFR 51.102, for the purpose of hearing
9 testimony relating to: Missouri State Implementation Plan
10 Revision; Missouri State Implementation Plan Revision,
11 Inspection/Maintenance Plan; Annual Budget/Fiscal Report;
12 10 CSR 10-6.110 (amendment) Submission of Emission Data,
13 Emission Fees, and Process Information.

14 The hearing record will close at 5:00 p.m.,
15 July 31, 2003.

16 The Commission will hear from the staff first,
17 then those who have notified the Staff Director of their
18 desire to be heard. Anyone who has not been scheduled to
19 appear, but who wishes to be heard, should indicate that
20 you wish to speak on the sign-in sheets available at the
21 door. Everyone needs to fill out a sign-in sheet even if
22 you do not wish to speak.

23 Section 643.100 of the Missouri Statutes
24 provides that all oral testimony will be given under oath.
25 Accordingly, the court reporter will swear in the witnesses

1 the new City Ordinance 65645 and recently updated St. Louis
2 City incinerator source permit; current SIP St. Louis City
3 section; copy of the new St. Louis City Ordinance with
4 sections being proposed for addition to the SIP; copy of
5 the new supplemental St. Louis City incinerator source
6 permit proposed for addition to the SIP.

7 If the Commission adopts this SIP revision, it
8 will be the department's intention to submit these SIP
9 revisions to the U.S. Environmental Protection Agency for
10 an update to the Missouri SIP.

11 That concludes my presentation unless there
12 are any questions.

13 COMMISSIONER KAYES: Are there any questions
14 from the Commission? Are there any questions from people
15 in the audience? Okay. Thank you very much. I have three
16 requests to speak, but no indication what you wish to speak
17 about. So if I don't call on you and you know I have your
18 name up here, wave your hand and get my attention so I
19 don't forget about you.

20 Next we'll have a presentation on the Missouri
21 State Implementation Plan Revision Inspection Maintenance
22 Plan.

23 (Whereupon the oath was administered.)

24 MR. PAPPAS: Good morning, Madam Chairman,
25 members of the Commission. My name is Charlie Pappas and I

1 am employed as a planner in the Department of Natural
2 Resources Control Program. I work at 205 Jefferson Street
3 in Jefferson City, Missouri.

4 I'm here to provide testimony on the proposed
5 St. Louis vehicle emission testing Inspection and
6 Maintenance Plan.

7 This proposed SIP provision starts on Page 137
8 in the briefing document.

9 This proposed change updates the Inspection
10 and Maintenance Plan for consistency with current rules and
11 program operations.

12 Background, the current I/M SIP was approved
13 in November 1999 in anticipation of the Gateway Clean Air
14 Program starting in the year 2000. Since that time, the
15 program has come to fruition and has gone through several
16 changes. Some of these changes include going to final
17 tailpipe emissions standards, revising waiver requirements,
18 implementing on-board diagnostic testing and requiring four
19 hours of continuing education for vehicle repair
20 technicians. Revisions to the I/M SIP are necessary to
21 reflect actual program operations.

22 Revision summary. The department's Air
23 Pollution Control Program recommends the following revision
24 to the I/M SIP:
